

## RSJ INSPECTION in collaboration with IRAS presents:

### AccountAbility AA1000 ACSAP Training In-Person.

#### WHY THIS TRAINING?

In a world demanding greater Transparency, Accountability, and Responsible governance, the AA1000 Assurance Standard has become the gold benchmark for credible ESG assurance.

This 3-day, In-Person certification program offers comprehensive, hands-on training in the AA1000 Standard Suite -

1. AA1000 AP - AccountAbility Principles
2. AA1000 SES - Stakeholder Engagement Standard
3. AA1000 AS v3 - AccountAbility Standard

empowering professionals to conduct assurance engagements that are rigorous, credible, and aligned with global best practices.

#### DELIVERED BY GLOBAL EXPERT

Led by a renowned Canadian business leader from South Africa with 3 decades experience and 120 assurance engagements in over 20 countries, this is the First-Ever aa1000 AccountAbility Suite Training of its kind hosted in-person in India — offering unmatched real-world expertise, global context, and live engagement.

**Learn from international trainer's experience, not from slides.**

#### WHO SHOULD ATTEND?

- Chief Sustainability Officers (CSOs)
- Chief Financial Officers (CFOs)
- ESG and Compliance Heads
