

RSJ INSPECTION presents:

AccountAbility **AA1000** ACSAP Training In-Person.

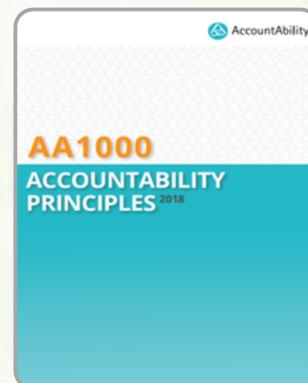

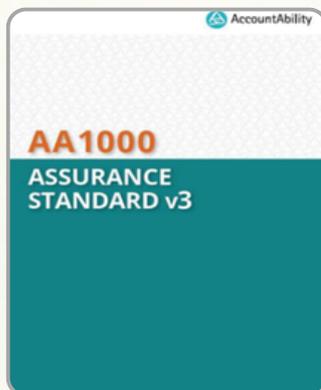

WHY THIS TRAINING?

In a world demanding greater Transparency, Accountability, and Responsible governance, the **AA1000** Assurance Standard has become the gold benchmark for credible ESG assurance.

This 3-day, In-Person certification program offers comprehensive, hands-on training in the **AA1000** Standard Suite -

- AA1000 AP - AccountAbility Principles
- AA1000 SES - Stakeholder Engagement Standard
- AA1000 AS v3 - AccountAbility Standard

empowering professionals to conduct assurance engagements that are rigorous, credible, and aligned with global best practices.

BENEFITS FOR YOUR ORGANIZATION

- ESG regulations are tightening globally — assurance is no longer optional.
- Boards and investors demand verifiable, stakeholder-driven disclosures.
- Organizations require certified professionals who can provide robust ESG validation.
- This certification builds credibility and international career mobility.

KEY LEARNING OUTCOMES

- Understand the AA1000 Assurance Standard (v3), its principles and Stakeholder Engagement Standard
- Learn how to plan and conduct assurance engagements
- Insights on implementing Sustainability practices which delivers strategic value
- Develop stakeholder-centric assurance reports
- Navigate the materiality, inclusivity, and impact pillars of assurance
- Gain global certification recognized across sustainability and assurance roles

NOTES

- Please note that this is a non-residential training program. Participants traveling from other cities are requested to make their own accommodation arrangements. To ensure timely and comfortable participation, kindly choose stay arrangements in close proximity to the training venue and avoid locations that may require extended travel hours.
- To ensure full participation in the training sessions, all participants are kindly requested to bring their laptops. These will be essential for completing hands-on assignments and workshop activities scheduled throughout the program.
- Morning Tea, Lunch, Evening Tea / snacks will be provided during all the Three days of training.

DAY-1

Time	Topic	Description
09.00 –9.30 am	Welcome & Introductions	All participants, and instructor, to introduce themselves to the class in order to contextualise the reasonable learning outcomes expectations of the group.
9.30 –10.00 am	Module A Pre-Test	Learners to complete a 30-minute online quiz to test comprehension of pre-assigned homework.
10.00-11.00 am	What’s an effective report?	Based on pre-readings assigned to the learners in preparation for Day 1, a group discussion will be facilitated around what makes for an effective sustainability report based on learner opinions AND instructor experience.
11.00-11.15 am	Tea Break	-
11.15-13.00 pm	History of Reporting & Assurance	Presentation regarding the global history of sustainability reporting, including the initial reasons for reporting expectations, the various standards that have been developed, who uses sustainability reports and why, and current local (Indian) and global trends.
13.00-14.00 pm	Lunch	-
14.00-16.00 pm	AA1000APS	Presentation and discussion of AccountAbility’s AA1000APS Accountability Principles Standard, including how the principles are intended to influence effective sustainability reporting and assurance, as well as other principles to be considered.
16.00-16.15 pm	Tea Break	-
16.15-17.45 pm	AA1000SES	Presentation and discussion of AccountAbility’s AA1000SES Stakeholder Engagement Standard, including how to structure an effective Stakeholder Engagement Plan (SEP).
17.45-18.00 pm	Closing	Facilitated question and answer session to re-cap the content of the Day 1 class, as well as a summary of what to expect in Day 2 (including homework assignment).

DAY-2

Time	Topic	Description
09.00 –09.30 am	Welcome & Day 1 Re-Cap	Review of any questions left unanswered regarding the content of Day 1's discussions and/or content of the AA1000APS and AA1000SES.
09.30 –10.00 am	Module B Pre-Test	Learners to complete a 30-minute online quiz to test comprehension of pre-assigned homework.
10.00 –11.00 am	Stakeholder Mapping Exercise – A	Part 1 of a physical/practical group exercise designed to assist learners with understanding how to conduct a Stakeholder Identification and Prioritization exercise, ultimately leading to a Stakeholder Map.
11.00-11.15 am	Tea Break	-
11.15 –13.00 pm	Stakeholder Mapping Exercise – B	Part 2 of the physical/practical group exercise designed to assist learners with understanding how to conduct a Stakeholder Identification and Prioritization exercise, ultimately leading to a Stakeholder Map.
13.00-14.00 pm	Lunch	-
14.00 –15.45 pm	Materiality Mapping Exercise – A	Part 1 of a physical/practical group exercise designed to assist learners with understanding how to conduct a Materiality Determination and Prioritization exercise, ultimately leading to a Materiality Map.
16.00-16.15 pm	Tea Break	-
16.00 –17.30 pm	Materiality Mapping Exercise – B	Part 2 of a physical/practical group exercise designed to assist learners with understanding how to conduct a Materiality Determination and Prioritization exercise, ultimately leading to a Materiality Map.
17.30 –18.00 pm	Closing	Facilitated question and answer session to re-cap the content of the Day 1 class, as well as a summary of what to expect in Day 2 (including homework assignment).

DAY-3

Time	Topic	Description
09.00 –09.30 am	Welcome & Day 2 Re-Cap	Review of any questions left unanswered regarding the content of Day 2's discussions and/or group Stakeholder and Materiality Determination exercises.
09.30 –10.00 am	Module C Pre-Test	Learners to complete a 30-minute online quiz to test comprehension of pre-assigned homework.
10.00 –11.00 am	AA1000AS – A	Part 1 of a presentation and discussion of AccountAbility's AA1000AS Assurance Standard, including how the principles are intended to influence effective sustainability assurance, as well as other principles to be considered. This session will begin with an unpacking of the homework assignment submitted by all learners.
11.00-11.15 am	Tea Break	-
11.15 –13.00 pm	AA1000AS – B	Part 2 of a presentation and discussion of AccountAbility's AA1000AS Assurance Standard, including how the principles are intended to influence effective sustainability assurance, as well as other principles to be considered.
13.00-14.00 pm	Lunch	-
14.00 –15.45 pm	CASE STUDY EXAM	All learners to complete a Case Study Exam (content to be explained at the beginning of the session)
16.00-16.15 pm	Tea Break	-
16.00 –17.00 pm	CASE STUDY EXAM – Continued	A continuation of the above-mentioned exam.
17.00 –18.00 pm	Closing	Facilitated question and answer session to re-cap the content of the 3-day course, providing learners a final opportunity to ask questions regarding how to proceed with conducting effective assurance engagements (or writing sustainability reports with the ultimate goal of undergoing independent third-party assurance).

***Timings are subject to vary depending on the ongoing conversations during training.**
